

International Conference

«Asymptotic Methods in Mathematical Physics»

dedicated to the to the memory of professors A.B. Vasil'eva and N.N. Nefedov

in connection with

*the **100**-th anniversary of the birth of Professor A.B. Vasil'eva and
the **75**-th anniversary of the birth of Professor N.N. Nefedov*

February 26 – 27, 2026

*The conference is organized by the Department of Mathematics of the Faculty of Physics,
Moscow Lomonosov University*

Programm

- Working days of the conference – **February 26** (Thursday) and **27** (Friday), 2026.
- Format of participation – in person or online.
- Working languages of the conference: Russian, English.

Application for participation and abstracts

- Please, send an application for participation **until December 10, 2025** to the conference email address asymptotic.methods@conf.msu.ru.
- Please, send the title of the report, as well as abstracts (in Russian or in English), to the conference's e-mail address asymptotic.methods@conf.msu.ru, specifying the speaker's details (full name, place of work, E-mail address).
- The rules for the design of abstracts you can find on the conference website <http://math.phys.msu.ru/asymptotic-methods-2026>.
- Deadline for submitting abstracts: **February 01, 2026**.

Further information about the conference is available on the website

<http://math.phys.msu.ru/asymptotic-methods-2026>.
